ROMANIA

SPRING FESTIVAL

A large field of tulips in various shades of pink and purple, with green leaves and stems. The flowers are densely packed and appear to be in full bloom. The background is slightly blurred, emphasizing the foreground flowers.

In the last four years, the children in Romania have enjoyed a week called “A Different Type of School” dedicated to extra-educational activities.

We want to present a special event conducted by students and teachers of our school, each year.

The arrival of spring was marked by Easter Fair entitled "Light in a child's soul", now being on its fourth edition.

Easter Fair is organized every year by Silvania School in partnership with the Town Hall.

This event is followed by children and parents and also the entire community participated.

Students from Silvania School created hundreds of hand made Easter products.

The event was humanitarian, the money raised there being donated to children with cancer disease.

The stars of the fair were painted eggs and Bunny which brings joy and gifts to children.

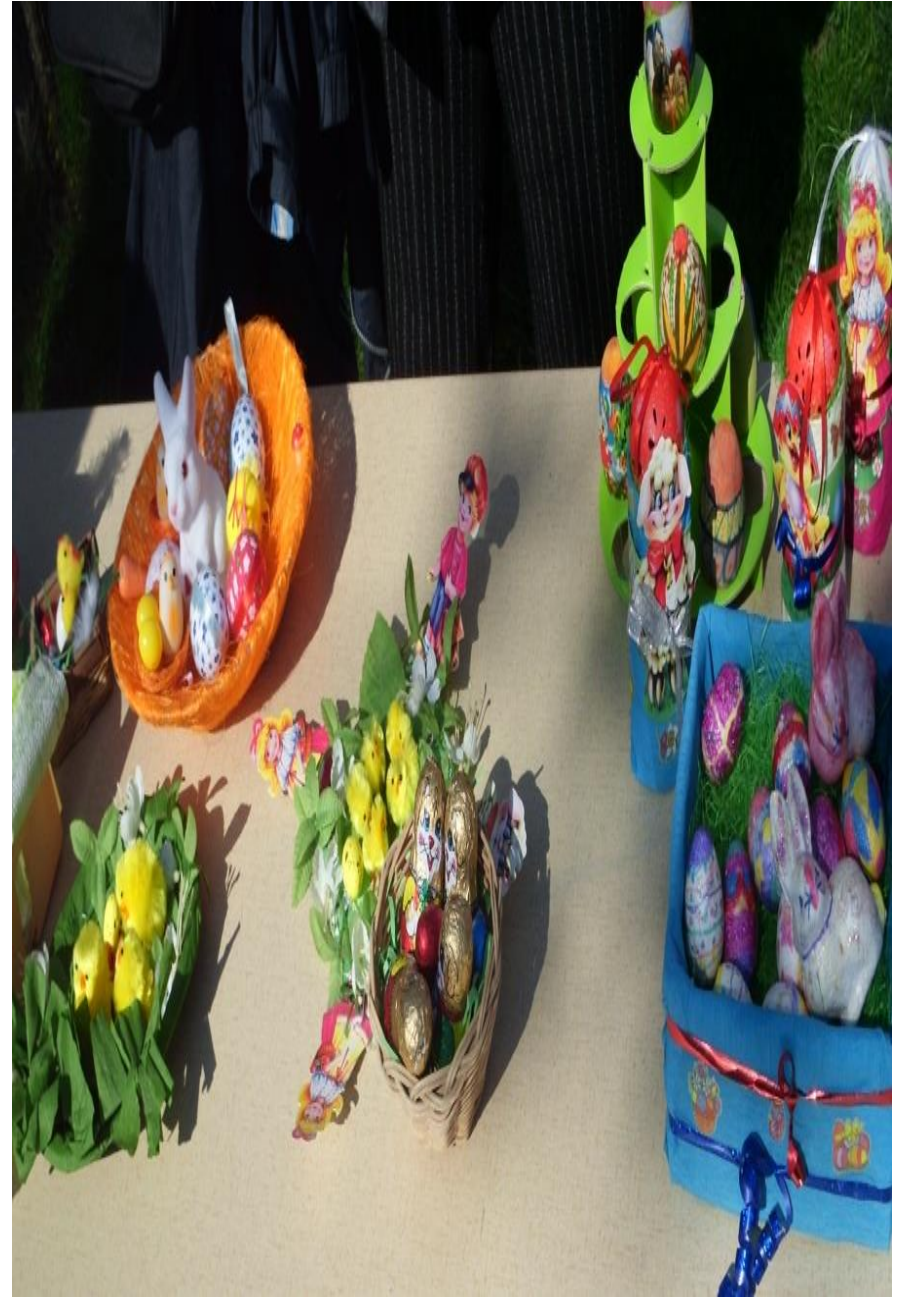

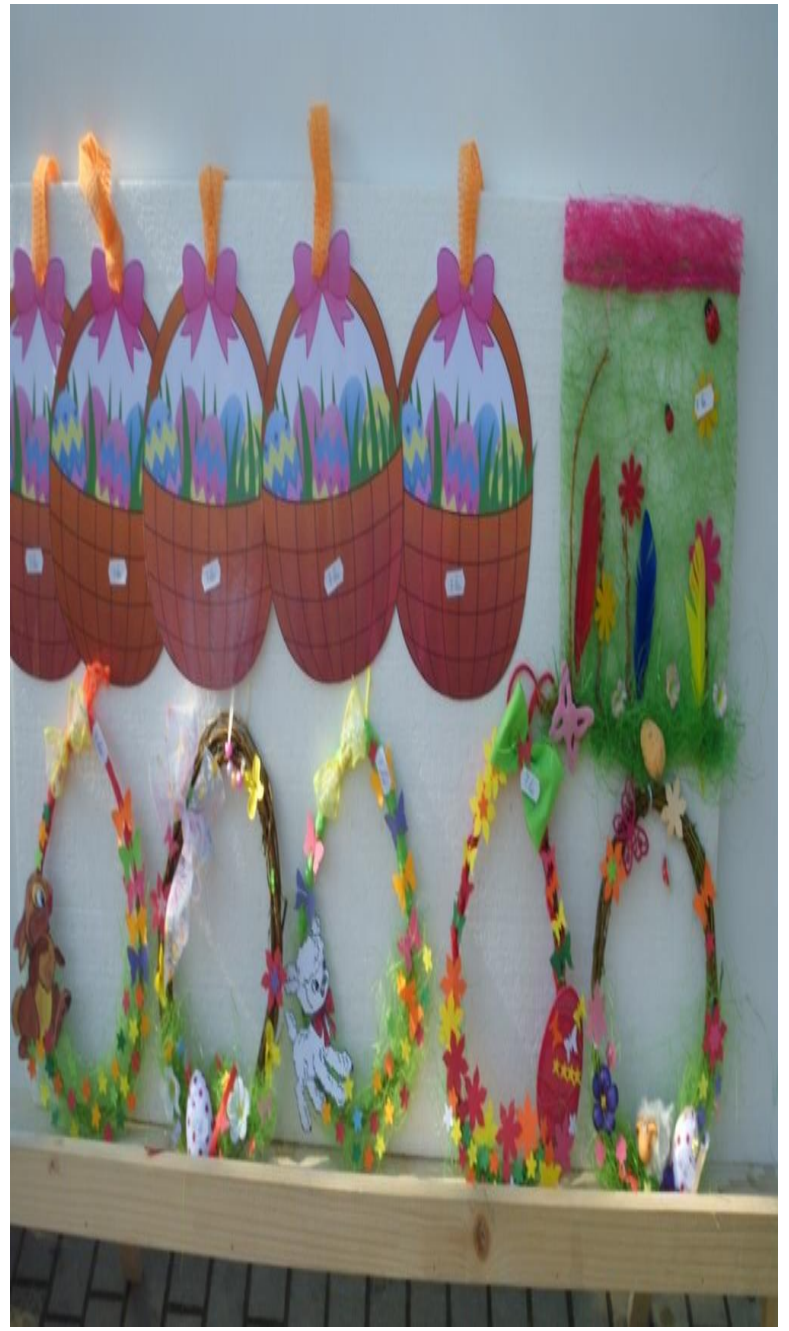

Visitors could buy: painted eggs, icons, Easter decorations, religious themed paintings created by children.

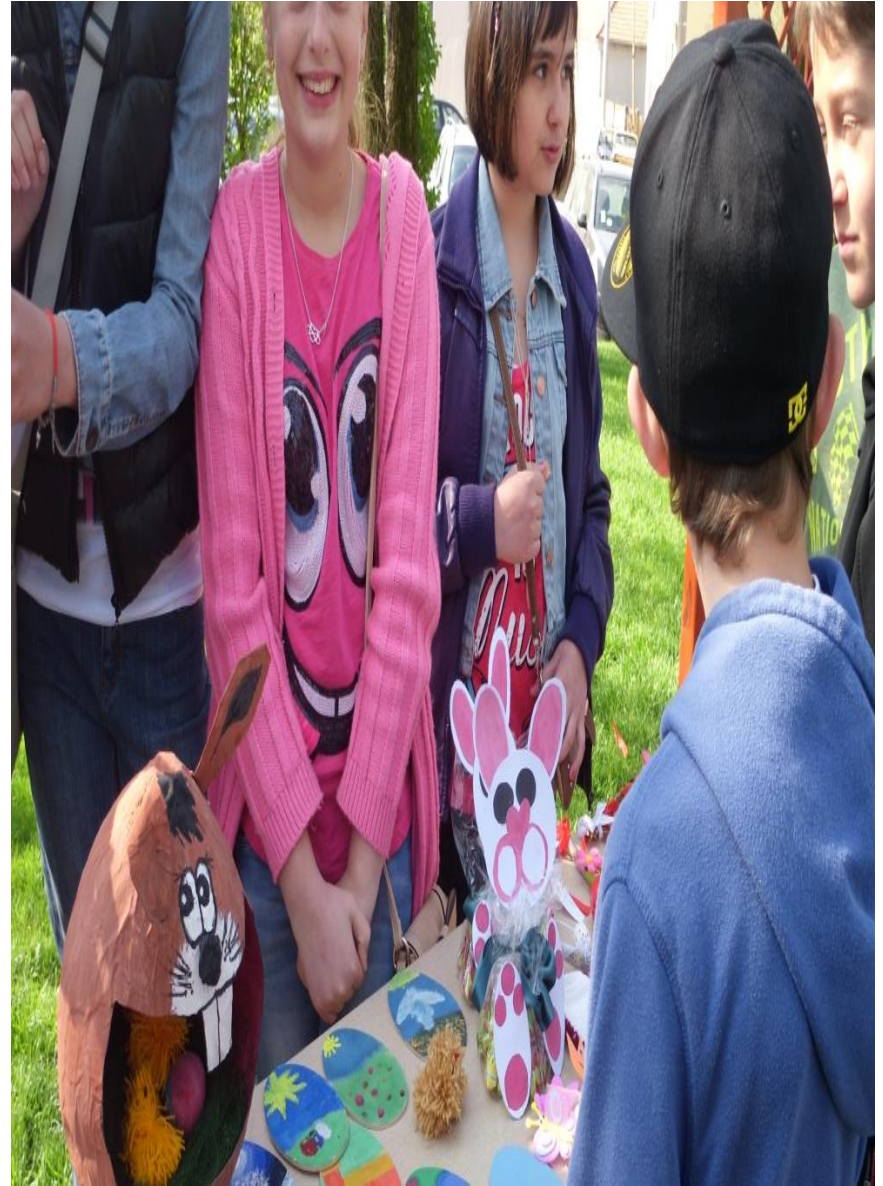

A pleasant surprise was the presence of rabbit Ricky, animals lovers could take a picture with it..

Silvana School wishes you a beautiful spring!
